

FINEO FO 5 L-bracket

Article number: (black) 1008081, only available in black!

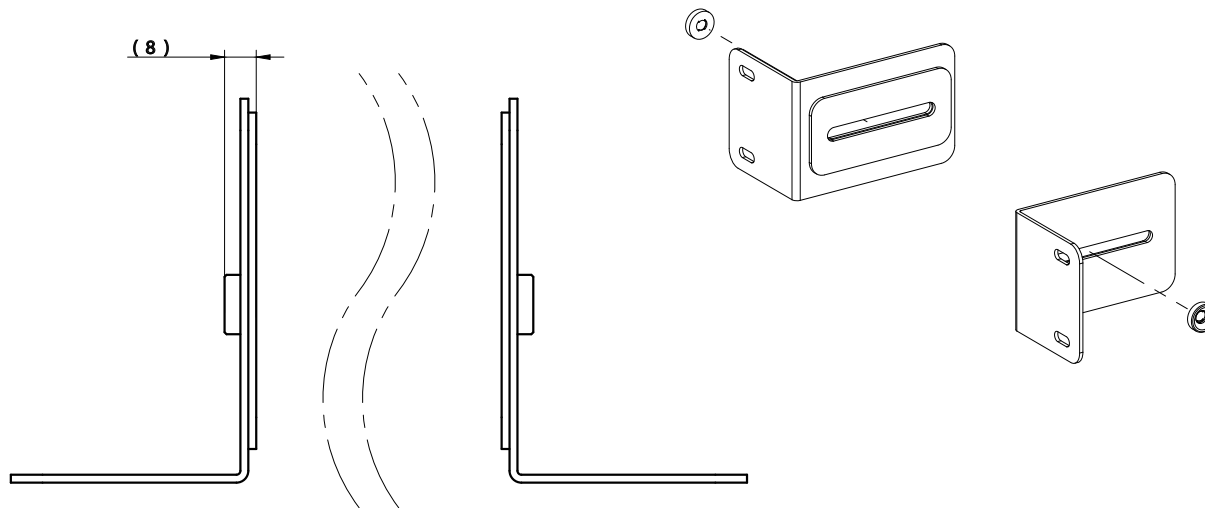

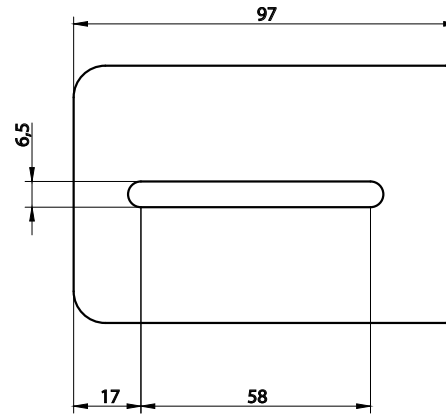

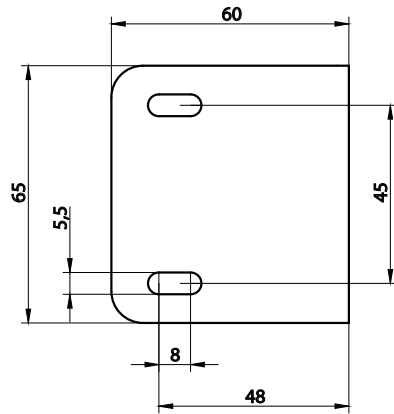

The FO 5 L-brackets can be used to install a FO 5 speaker in a wall or ceiling. The speaker is screwed in from behind and can be installed to a depth of up to 75 mm. For best acoustic results, the speaker should be installed flush with the wall or ceiling.

The FO 5 L-brackets are supplied in pairs for installing one FO 5 speaker.
