

SF-35

Article number: (black) 1008137, (white/RAL*) 1008138

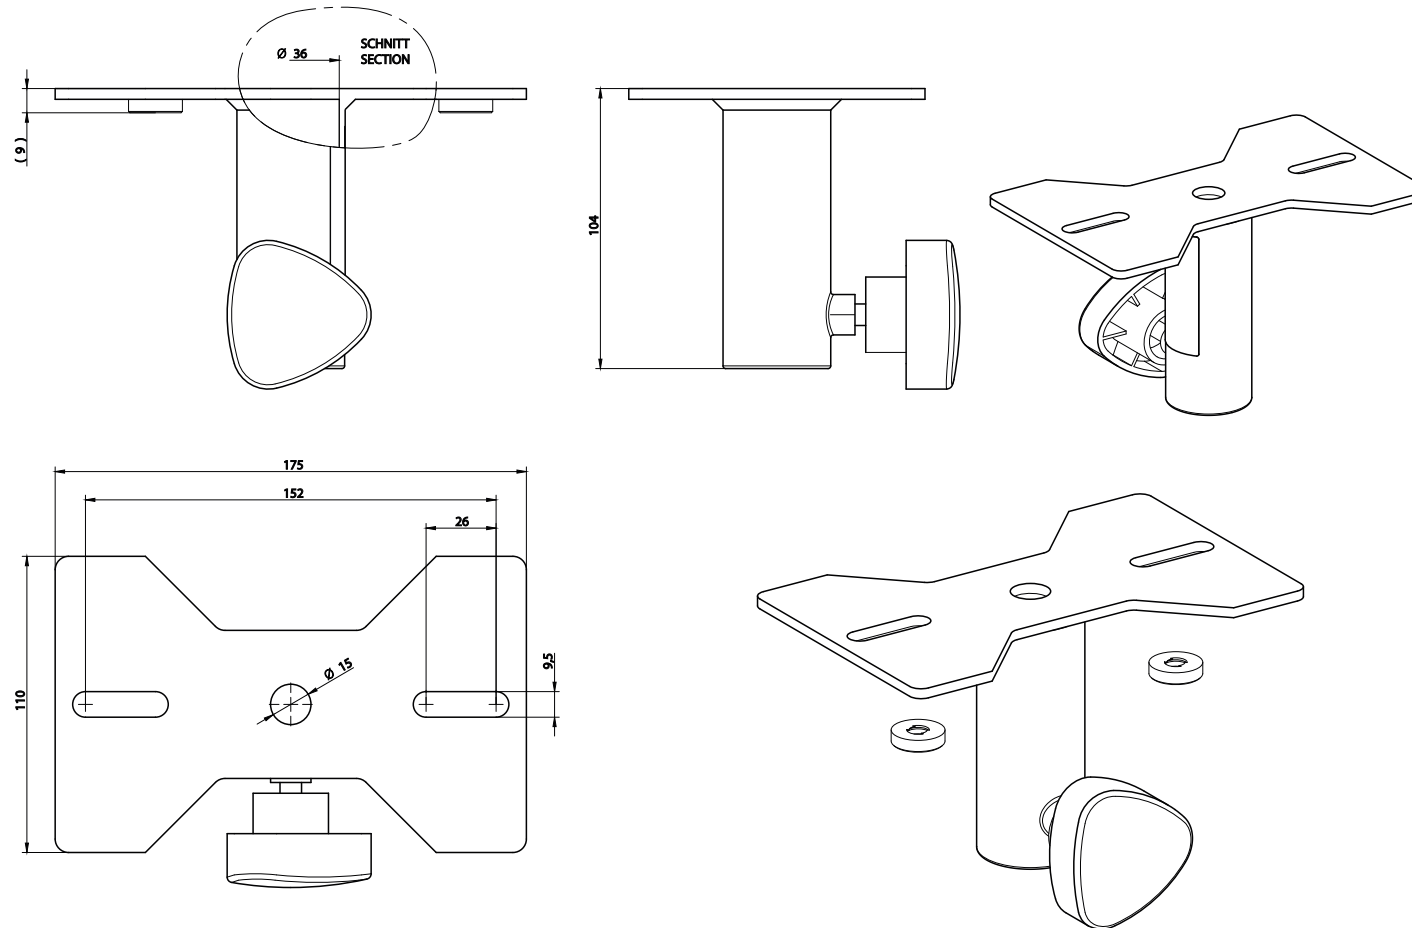

The SF-35 allows a FO 8, FO 10, FO 12 or FO 15 loudspeaker to be used on a standard 35 mm speaker stand. The SF-35 sleeve is simply screwed onto the underside of the cabinet.

This allows the speaker to be locked to the stand without tools by means of an easy-to-operate locking screw.
